Empowering the Next Generation of Minority Women in STEM

WHO WE ARE

The Domonique Williams Scholarship Foundation (DOMWINS) is a nonprofit organization dedicated to uplifting minority women by removing systemic barriers to success in STEM. Through scholarships, mentorship, and culturally responsive programming, we support high-achieving young women as they pursue academic and career excellence.

In Technology Network Scholarship**

WHY IT MATTERS

Minority women remain drastically underrepresented in STEM fields. DOMWINS works to change this by building confidence, expanding access, and creating community. We believe every student deserves the tools and support to succeed, without exception.
